

## **Applied Power Electronics Research Group**

Welcome to the Applied Power Electronics Research Group:

### **Area of research:**

Design and development of power converter for renewable energy sources.

### **Group Members:**

1. Dr. Sumana Chowdhuri, Professor, Department of Applied Physics, University of Calcutta.
2. Dr. Sujit K. Biswas, Professor, Electrical Engineering Dept, Jadavpur University
3. Dr. Biswajit Majumdar, Professor, Dept. of Physics, Acharya Jagadish Chandra Bose College, Kolkata
4. Dr. Shib Sankar Saha, Professor, Electrical Engineering Dept., Kalyani Govt. Engineering College, Kalyani, W.B.
5. Mr. Dipten Maiti, Assistant Professor, Department of Electrical Engineering, Jadavpur University

### **Scholars:**

1. Sri Arabindo Chandra, Assistant Professor, Techno India, Rajarhat, PhD Scholar
2. Sri Soumyajit Datta, Assistant Professor, Techno India, Rajarhat, PhD Scholar
3. Sri Arkendu Mitra, Assistant Professor, Techno India, Rajarhat, PhD Scholar
4. Sri Dipak Kumar Mandal, JRF, DST-GOI Funded Project
5. Sri Koustuv Sarkar, JRF, DST-GOI Funded Project
