Sl. No.	Title	Patent No with date	Faculty
1.	A novel Microcontroller based power measuring apparatus	Patent No.1117/KOL/2013 filed on 30.09.2013	Prof. J.N.Bera & Prof. G. Sarkar
2.	A prototype of In-Home-Display (IHD)	Transfer of Technology in 2013	MOU signed with CEO, Landis+Gyr.
3.	Development of Remote Energy Metering System towards the estimation of Zonal Energy Consumption with AMR	Patent file no. 967/KOL/2015 dated 09/09/2015	Prof. J.N.Bera, Dr. S. Chowdhuri with J. Sundara Rajan, CPRI Bangalore
4.	Development of remote energy metering system for the determination of zonal energy consumption with AMR and theoretical consideration therefor	Copyright No. L-60862/2014 filed on 26.12.2014	Prof. J.N.Bera & Prof. G. Sarkar
5.	Thyristor based embedded starter and fault diagnostic system for 3-phase induction motor	Transfer of Technology in 2015	Dr. K. Das Sharma
6.	"A novel portable equipment for wireless recording of finger pulse signal with data compression facility"	Indian patent file No: 201631012435 dtd: 08/04/2016	Dr R. Gupta Mr S. Alam
7.	"Wireless Condition Monitoring"	Indian Copyright No: SW-10260/2018.	Dr Rajarshi Gupta and Soumyak Chandra
