

University of Calcutta Department of Genetics

For 8 vacant seats advertised for RET Genetics 2020, 7 candidates could be selected on the basis of written entrance and interview with regards to RET Genetics 2020 following the state government reservation criteria (see the merit list below). In the merit list we have tried to prepare a panel including more names than the exact number required for each category (double than the actual vacancy), as per feasible, so that in case one selected candidate declines to join, the next best candidate can be called for absorbing the seat.

Merit list for RET Genetics 2020 (as per ranking)

For 1 seat earmarked for ST

None found suitable (Sudipta Naskar was selected for the seat as the 3rd best candidate from the from the SC list for this seat following the rules and regulations of State Government reservation policies)
