

Recommendations relating to commencing date, detailed programme, date of submission of forms & fees and tentative date of publication results from the PG Board of Studies in:

Examination: M.Sc. in Biophysics & Molecular Biology	Year
	2021

Semester: I

Subject: Biophysics & Molecular Biology

Page Number: 1 of 1

The commencing date, concluding date, tentative date of publication of Result and the last date for submission of fees and forms for the above mentioned Examination had been fixed as follows :

Last date for submission of fees and forms

Without Fine

With Fine

Commencing Date of Examination

Concluding Date of Examination

19/02/2022

04/03/2022

Tentative date of publication of Result: 25/03/2022

Printed Programme

Theoretical

Date	Paper	Subject	Time
19/02/2022	BMB 101	Molecular biology I	From 12 noon to 1 PM
21/02/2022	BMB102	Cell biology I	From 12 noon to 1 PM
22/02/2022	BMB 103	Biomolecules I	From 12 noon to 1 PM
23/02/2022	BMB 104	Physico-chemical methods I	From 12 noon to 1 PM
24/02/2022	BMB 105	Bio-organic chemistry & enzymology	From 12 noon to 1 PM
26/02/2022	BMB 106	Physico-mathematical methods	From 12 noon to 2 PM

Practical/ Dissertation/ Viva

Date	Paper	Subject	Time
03/03/2022	BMB 107	Introduction to computers and programming	From 10 AM to 1PM
	BMB 108	Bioinformatic tools and techniques	From 2 PM to 5PM
04/03/2022	BMB 109	Experiments in biochemistry	From 11 Noon to 2 PM
