Sub: Prayer for intimation to all colleges under your esteemed university regarding PC&PNDT Act related awareness activities of selected NGOs for Kolkata district.

Sir,

With due regards I beg to state that as per directives of the Director of Health Services, Govt. of West Bengal and the Commissioner of Family Welfare –cum- MD, NHM, this communication is being made to you.

You are well aware of the low 'sex ratio' in our society and the provisions of the PC&PNDT [Pre-Conception and Pre-Natal Diagnostic Techniques (Prohibition of Sex Selection)] Act, 1994 to limit and overcome any further deterioration of the sex ratio in the community. In this regard and as per Government of India directives, two NGOs have been selected for the Kolkata Municipal Corporation area for IEC activities and Inspection of USG Clinics/ Genetic Clinics.

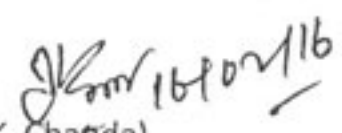

In the best interest of public services it is placed as a proposal before you to kindly arrange to inform all colleges under your esteemed university about the PC&PNDT Act related activities to be carried out by the two selected NGOs (Names and contact address/ phone nos. given below). Sensitization meetings to generate awareness among various sections of college students (especially Law colleges, Women's colleges) would be carried out to prevent female foeticide in the community.

Selected NGOs:

1. Child In Need Institute (CINI-Urban) [for KMC wards 1 – 70], 63, Rafi Ahmed Kidwai Road, Kolkata -700016. (Office ph. 033-40058935).
2. Anjana Ghosh Memorial Social Welfare Trust- Purba Medinipur [for KMC wards 71-144]; local office: 319-B, Strand Road, P.O. Nawabganj, Ichapur, Dist. North 24 Parganas. (Ph. 8017072211).

Thanking you in anticipation of your kind cooperation,

Yours truly

(Dr. H. K. Chanda)
