

University of Calcutta

Centre for Research in Nanoscience and Nanotechnology

Dated March 02, 2022

An interview will be held on **March 24, 2022** from **12:30 p.m.** in **Online Mode** at the Centre for Research in Nanoscience and Nanotechnology (CRNN), University of Calcutta, JD-2, Sector-III, Salt Lake, Kolkata-700106, India for the recruitment of **one (01) Junior Research Fellow** under a Science and Engineering Research Board (SERB) New Delhi supported project, titled **“Vibrational and Electronic Spectroscopic Investigation of Surface Properties in Lanthanide Incorporated Semiconductor Nanoparticles”** under Dr. Prasun Mukherjee.

A Masters Degree in relevant Science / Technology discipline with a valid NET / GATE score is the required qualification for the post.

Interested and eligible candidates are requested to send the up-dated Bio-data and the duly attested photocopies of all relevant academic documents along with a formal application to pmcrnn@caluniv.ac.in before the date of interview. The selected candidate needs to visit the CRNN Office for verification of original documents at a later date. This position is initially for one year and is further extendable as per norms.
