All existing and interested students are requested to go through it. All existing fellows under the scheme UGC NFSC are advised to read the point #10 of this guideline regarding Disbursement of Fellowship and do the needful accordingly.

All supervisors/HODs of the existing and future NFSC Fellows are requested to inform the DPO office by writing (or by email to fellowship.online@caluniv.ac.in) as soon as the fellow discontinues or takes leaves which are not permissible. In case of premature termination/discontinuation, the Supervisor/HOD is requested to ensure that such information is conveyed to the DPO office before the effective date of termination. In case the fellow has planned to take leave for which the fellowship cannot be claimed, the DPO office must be informed in writing beforehand, i.e., prior to taking such leave.
