

Project Title: Urban-adapted primates: Understanding the cooperation-conflict dynamics between non-human primates and humans in urban ecosystem

Funded by: DST-INSPIRE

Principal Investigator: Dr. Manabi Paul, DST-INSPIRE Faculty, Dept. of Environmental Science, C.U

Post: One Project Fellow (Remuneration 25000/- p.m for NET qualified students, 18000/- for Non-NET candidates)

Desired Qualification: 1st class Msc with NET Lectureship (CSIR/UGC)/GATE. Hands-on knowledge in field biology and basic molecular biology will be preferred. Since the project is on non-human primate behaviour, candidates who have already worked with primates will be preferred first.

Duration: Initially for One year. May continue for next four years depending on the project outcome and performance of the fellow.

How to apply:

Walk in interview. Please send One page short CV to manabii.paul@gmail.com

Venue of Interview: 35, Ballygunge Circular Road. Environmental Epigenomics Laboratory, Department of Environmental Science. University of Calcutta, Room No: 857.

Date of Interview: ~~25th February, 2018~~ ^{28th March, 2019} from 1pm onwards.

NO TA/DA is permissible for the interview.

Manabi Paul
