Applications are invited from eligible candidates to work as Research Fellow in the project entitled "De-congesting India's transportation networks using mobile devices" funded by Information Technology Research Academy (ITRA) under the supervision of Prof. Subinay Dasgupta, Department of Physics, Calcutta University. Tenure of the project is up to 31st December, 2018.

Candidates should have a master's degree in Physics from a recognised University with at least 55% marks. Upper age limit is 28 years as on the day of application. The upper age limit is relaxable up to 5 years in case of SC/ST/OBC/Women/PH candidates. Candidates with NET / GATE or equivalent qualifications will be preferred. The selection will be based on an initial screening of the applications, followed by an interview.

Remuneration: Rs. 25000/- per month

An application furnishing bio-data (including e-mail address) on plain paper should be dropped in the mailbox of S. Dasgupta, kept at the office of Department of Physics, University of Calcutta, 92 APC Road, Kolkata 700009. The application may also be sent by ordinary mail or speed-post or Courier.

Last date of receiving application : December 27, 2017
