

## University of Calcutta Department of Physics

Applications are invited from eligible candidates to work as Research Scholar (Project fellow/Project Associate) under the supervision of Dr. Aritra Banerjee, Dept. of Physics, University of Calcutta in the project entitled “*Magneto-transport property study of thermoelectric composites*” sanctioned by UGC DAE Consortium, Kolkata Center.

### Essential Qualification :

- *The Candidate should have a good academic career* (minimum of 55% marks in M.Sc (Physics) from a recognized University).
- *Candidate must have qualified in NET-JRF/ Lecturership (UGC-CSIR Joint test) / GATE / SLET.*
- The Candidate should have interest to work in the field of experimental Materials Science.

### Desirable Qualification :

- Exposure in the field of thermoelectric materials Research.

**Upper age limit** : 28 years as on 31.07.2019 (relaxable up to 5 year for SC / ST candidates).

**Fellowship** : As per the rule of UGC DAE Consortium, Kolkata Center.

**Duration of fellowship** : One year, extendable upto three years.

**Date of Walk in interview** : 10<sup>th</sup> July, 2019 (*Wednesday*); 12:00 noon

**Venue of Interview** : Meeting room, Physics Department, University of Calcutta,  
92 A P C Road, Kolkata-700 009.

Interested eligible candidates are requested to bring (i) all original (ii) two sets of complete application furnishing bio-data on the plain paper with attested copies of testimonials at the time of interview.

No TA/DA is permissible for appearing in the interview.
