Respected Sir/ Madam,

You are aware that the system of conducting the practical examinations at external examination centers has been implemented from this year. As suggested by the concern U.G.B.O.S the 21st Century GIS software will be used for conducting the examination of Paper-VII, Module 14.

I am to request you to inform the office of the Controller of Examinations by **February 16th, 2017** **the version of the said software used in** your college during the practical classes. Please treat the matter as urgent.

Looking forward to your active co-operation.

Thanking you,

Yours faithfully,
