

LET'S TALK LINGUISTICS

A series of web-based interactive sessions, between the students of the Department of Linguistics, Calcutta University, and scholars, professors and other professionals from the field of Linguistics, to talk about their experience as former students of this discipline and to share the current experiences and challenges of their work. The aim of this series is to let the students of Linguistics learn about the scopes and prospects of the subject.

Organised by

Department of Linguistics
University of Calcutta

April 23, 2022.
